Andrew Rose

Senior Associate Scientist

I am A Senior Associate Scientist at Sail Biomedecines, I graduated from the
University of Michigan in 2017 with a degree in Biomedical engineering. I
am currently working towards my master's degree in Data Science at Johns
Hopkins University. I am hoping to use these degrees to start shifting my
career towards bioinformatics and data science. In my free time im a big
nerd. I love playing video games, dungeons and dragons, and magic the
gathering. I took the picture to the right!

My Projects
Module 1 - Personal Website
In this module I created a website using Flask, including the use of blueprints, HTML and CSS.
